Description

DonnaCarmela, the boutique resort between Etna and the Ionian Sea.

DonnaCarmela, the jewel of the hotel industry of the eastern Sicily, offers a unique position as it is located in the shadow of Etna, and the marvellous Ionian sea. It is among the 51 Italian structures featured in the Alain Ducasse Les Collectionneurs guide, which contains the best charming hotels and gourmet restaurants in the world.

A luxury boutique resort of the late nineteenth century, nestled in one of the largest nurseries of the Mediterranean, is surrounded by 10,000 square meters of Mediterranean plants and subtropical of the Pianta Faro company. Behind the magical and impressive resort there is Mount Etna, the highest volcano of the Eurasian plate, while in front, a few hundred meters away we find the Ionian Sea, these two elements give the location enchanting landscapes and a unique charm to relax.

During your stay in DonnaCarmela it is possible to enjoy special excursions that will completely engage your interest in Sicily.
