### DMC Balearic Islands

My name is Pere Rossello owner at Moltona Viatges, a familiar medium size incoming travel agency based in Palma de Mallorca and covering all Balearic Islands with many years of experience.

We are members in AVIBA (Travel Agency Association in the Balearic Islands).

We are focused on supporting at destination international Tour operators from several countries including your market, providing them with hotel allotments, transfer, guides, and ground services in general.

I would like to get in touch with you to introduce ourselves at WTM London and schedule a meeting to discuss with you potential cooperation. Please let me know if might be possible.

Greetings from Mallorca

Pere Rosselló
